PRODUCT CATALOG

This catalog lists the basic products. Inquire about our new arrivals!

As you leaf through our catalog here are some things to keep in mind:

1- An image icon indicates that the product can be customized with a photo or artwork of your choice. 

2- A color icon indicates that the product is available in different colors. 

3- An initial icon indicates that the product can be customized with the name or logo of your choice. 

4- Due to the constant fluctuating prices, we do not list them in the catalog.

5- Poems, greeting cards, and gift setup is available with every purchase.

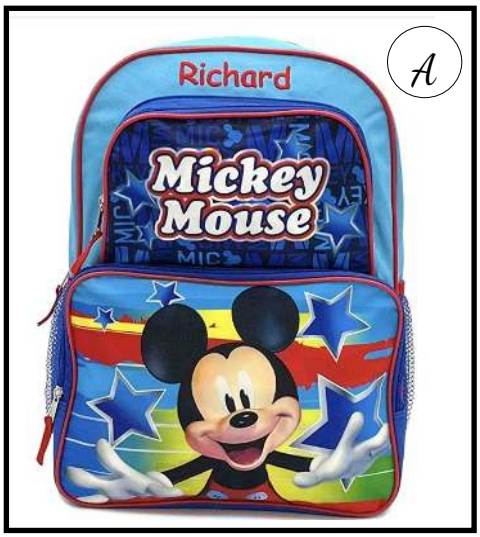

6- Feel free to ask us for assistance in coordinating gifting occasions.

7- As some items come from third party providers, we some items may look slightly different upon arrival.

8- When deciding on promotional products, please ask us about the minimum for each item.
